

# Fairtrade & Human Rights and Environmental Due Diligence

Tytti Nahi, Business and Human Rights Lead, Fairtrade

## **Human rights & Business**

**Decent working conditions,  
Freedom of association**

**Child labour, Forced labour**

**Decent standard of living –  
Living income and living wage**

**Gender rights, Discrimination**

**Right to a clean, healthy and  
sustainable environment**

**Etc**

## Human rights & Cocoa

**1,56 million child labourers** on cocoa fields in Ghana and Ivory Coast.

**9,4%** of Ghanaian cocoa producer households make **living incomes**.

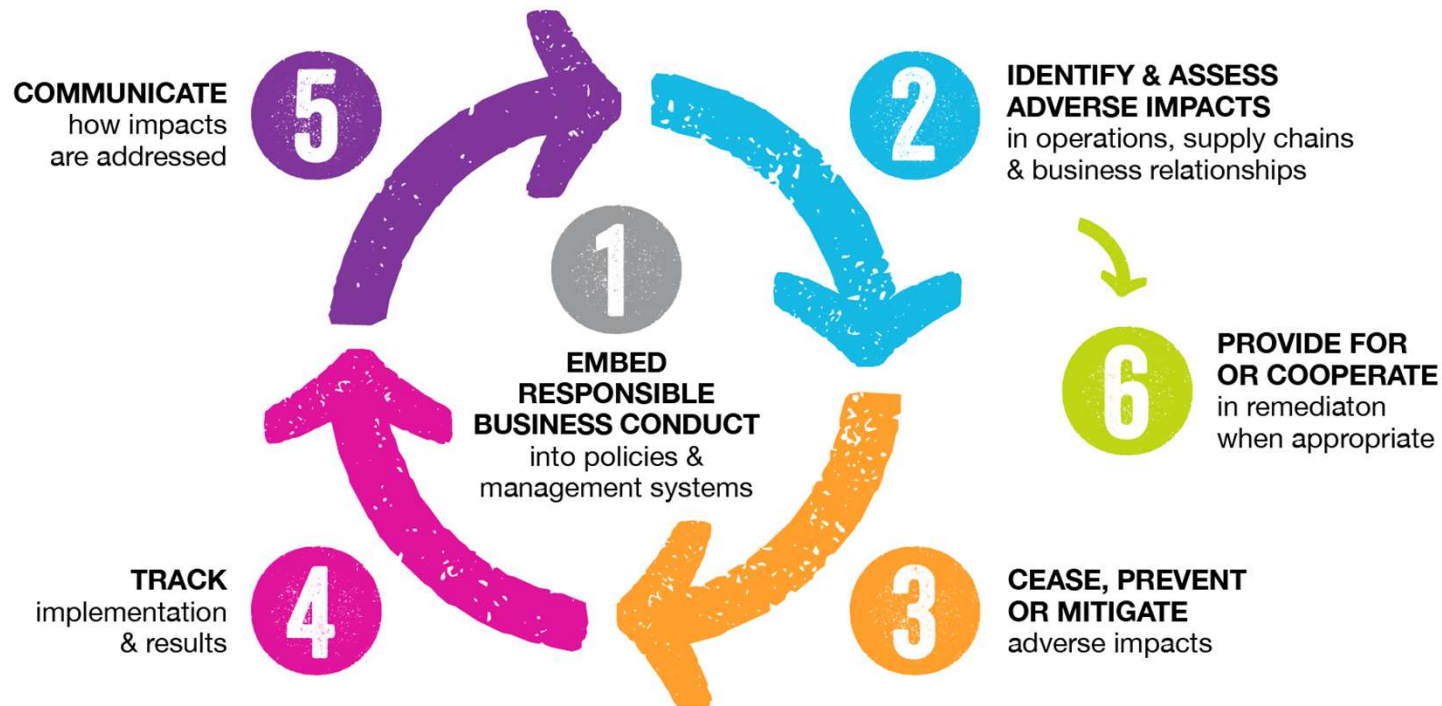

**“ Business enterprises  
must seek to avoid  
contributing to  
human rights and  
environmental harms**

# Human Rights and Environmental Due Diligence
